

Sergeant Rasheen McClain

End of Watch November 20, 2019

On December 22nd, 2019, at the Detroit Police Department union offices, Cory Williams met Heidi McClain, the widow of fallen Officer Rasheen McClain, and presented her a check from our foundation for \$10,000.

According to Officer Down Memorial Page, "Sgt. Rasheen McClain was shot and killed while responding to a domestic violence call in which a woman's boyfriend had broken into her home and threatened the occupants with a firearm. When responding officers arrived on the scene, they encountered the victims outside. They informed Sgt. McClain that the man was inside the home and armed. Sgt. McClain and other officers began clearing the home to locate the subject. They had cleared the main level and second floor before they began to clear the basement. As they made their way down the basement stairs the man emerged at the bottom and opened fire with a semi-automatic rifle, striking Sgt. McClain in the neck and another officer in the leg. The subject was wounded by additional officers after running outside of the home. He was taken into custody one block away as he attempted to flee on foot. Sgt. McClain was posthumously promoted to sergeant. He had served with the Detroit Police Department for 16 years and was assigned to the 12th Precinct. He is survived by his wife and three stepchildren."
